**DECLARATION IN SUPPORT OF  
EX PARTE ORDER SEALING FILE**

STATE OF NEW JERSEY                )  
  )  
COUNTY OF ESSEX                 )

JULES D. ZALON, hereby declares the following under penalty of perjury:

1. I am the attorney for the plaintiff in the within action, which has been instituted to prevent the defendants from continuing to infringe substantial property rights belonging to the plaintiff.
2. This action is being commenced by the filing of an order to show cause seeking an ex parte temporary restraining order, for reasons set forth in my declaration accompanying such papers.
3. In view of the clear -- and wholesale -- infringements by the defendants, it is certain that, upon receiving notice of the institution of the action, they would promptly seek to destroy or otherwise secrete infringing inventory and records vital to the establishment of the plaintiff's case. This is the reason why plaintiff seeks an ex parte temporary restraining order in the first place.

4. Plaintiff therefore requests that this court issue an order sealing the filed papers in this matter until plaintiff is able to effect service upon defendants.
